

Apprenticeship (APPR) Exemption Test Registration Form

The Ministry of Advanced Education and Skills Development (MAESD) has authorized community colleges to administer trade exemption testing for apprentices and non-apprentices. Apprentices may challenge within their community colleges the in-school portion of apprenticeship levels of the trade-specific apprenticeship program depending on their level of expertise and time spent on the job. Non-apprentices can likewise challenge the in-school portion of the program starting at level one. Trade-specific standards and entry requirements can be obtained from the local Employment and Training Division of the Ministry of Advanced Education and Skills Development (MAESD) at 519-653-5758 or Ontario College of Trades at 1 (855) 299-0028 (within Ontario only)
