- If the candidate withdraws with written notice before the PLAR assessment is scheduled to be completed, neither a grade nor a refund will be given.
- If the candidate obtains a failing grade on their PLAR assessment it will not be included on their transcript but will be calculated into their program GPA.
- PLAR assessment grades will be input into SIS and communicated to students.
- The length of time needed to complete a PLAR assessment will vary on a course-by-course basis depending on the content and method of assessment (e.g., A course requiring a portfolio assessment will require a longer period of time to complete than one requiring a challenge exam).

- Degree programs are required to follow the Postsecondary Education Quality Assessment Board (PEQAB) Admission, Promotion, and Graduation Standard, Benchmark 7. which states “The Institution:
 - Does not offer any credits for “life experience”, unless that experience is assessed for its appropriate learning value to the specific degree program;
 - Does not waive comprehensive examinations, academic reports, research projects and/or theses, if these are standard requirements of the program;
 - Does not award advanced standing for more than 50% of the total number of the credits of the program based on prior learning assessment;
